## About the Quebec Professional Association of Real Estate Brokers

The Quebec Professional Association of Real Estate Brokers (QPAREB) is a non-profit association that brings together more than 15,000 real estate brokers and agencies. It is responsible for promoting and defending their interests while taking into account the issues facing the profession and the various professional and regional realities of its members. The QPAREB is also a major player in many real estate dossiers, including the implementation of measures that promote homeownership. The Association reports on Quebec's residential real estate market statistics, provides training, tools and services relating to real estate, and facilitates the collection, dissemination and exchange of information. The QPAREB has its head office in Quebec City, administrative offices in Montreal and regional offices in Saguenay and Rouyn-Noranda. It has two subsidiaries: Société Centris inc. and the Collège de l'immobilier du Québec.
